Mask Requirements

Team Assignments

After Registration closes, teams will be formed based on coach availability. Players will be assigned to a team with a coach based on their registration date, coach availability and team requests. If there are not enough coaches to place players on teams, you will be notified prior to the season.

Special Requests

Team Requests made late are not guaranteed. You may not request a coach and a buddy, you must choose one or the other.

Playing up an age division: To play up in an age division it must be approved by the Sports Director.

Buddy Request: Your buddy must also request to play with you. You both must also choose the same day, location and division. If the same day, location and division are not chosen, your preferred location will supersede your buddy request. If either registrant registers late, requests may be denied. It is best to register at the same time.

Coach Request: If a coach has placed your child on their team roster, you may register in office before member and community registration begins to guarantee your spot on the team. It is important to know the day, location and division if you are requesting a specific coach. If you do not register for the correct day, location and division as the coach, your preferred location will supersede your request.

Our basketball league is a Saturday only sport. Children learn the game of basketball through play. There are no additional days scheduled for basketball practice.

Game Schedules

Your games throughout the season will change from week to week and you are not guaranteed to have all your games at your requested home court.

Playerspace

We are pleased to announce that **The YMCA of The Greater Tri-Cities** has partnered with PLAYERSPACE for electronic communication and league management.

What does this mean for you?

After you register for your sports programs with the YMCA, your Sports Director will be using PLAYERSPACE to:
