Team Assignments

Special Requests

Requests made late are not guaranteed. You may request a coach OR a buddy.

- If you register for the incorrect age division without the approval of the sports director you will be moved to the appropriate age division without notification and any special requests will not be honored.
- Both first and last name must be included in your buddy or coach request.
- Only 1 name is allowed for a request. Adding multiple names may result in not getting your request.
- Listing both a coach and buddy may result in not getting your request.

Buddy Request:

Your buddy must also request to play with you. If either registrant registers late, requests may be denied. It is best to register at the same time. You both must also choose the same day and location and must be in the same age division. If the same day, location and division are not chosen, your preferred location will supersede your buddy request.

Coach Request: It is important to know the day, location and age division if you are requesting a specific coach. If you do not register for the correct day, location and division as the coach, your preferred location will supersede your buddy request.

Practice Schedules: Practices are at the discretion of the coach and are not guaranteed to be at the game locations or in the same city that your games are scheduled. Practices begin the week of June 20th.

Game Schedules: Games are scheduled after 5:30pm during the weekdays and begin the second week of the season. Your games throughout the season will change from week to week and you are not guaranteed to have all your games at your requested home field.
