Age Divisions/Game Schedule

- U4, U7, U10. (U4 division, must be 3 by start of season)
- Games are scheduled start after 9:00 am Saturdays

Game Schedules: Your games throughout the season will change from week to week and you are not guaranteed to have all your games at your requested home field.

Team Assignments

After Registration closes, teams will be formed based on coach availability. Players will be assigned to a team with a coach based on their registration date, coach availability and team requests. If there are not enough coaches to place players on teams, you will be notified prior to the season.

Special Requests

Requests made late are not guaranteed. You may not request a coach and a buddy.

- If you register for the incorrect age division without the approval of the sports director you will be moved to the appropriate age division without notification and any special requests will not be honored.
- Both first and last name must be included in your buddy or coach request.
- Only 1 name is allowed for a request. Adding multiple names may result in not getting your request.
- Listing both a coach and buddy may result in not getting your request.

Buddy Request: Your buddy must also request to play with you. You both must also choose the same day, location and division. If the same day, location and division are not chosen, your preferred location will supersede your buddy request. If either registrant registers late, requests may be denied. It is best to register at the same time.

Coach Request: When requesting a coach, it is important to know the day, location and division. If you do not register for the correct day, location and division as the coach, your preferred location will supersede your buddy request.
